

Welcome to Hawthorn Primary School

The playground

Your entrance to school

Where you
will hang
your coat

Welcome to our school!

The dining
hall

Our Cloakroom

Our Lunch Hall

These are the toilets. Please remember to wash your hands!

Thank you for helping to keep our school safe, happy and tidy!

Welcome to our Reading Garden

We love to share books in our Reading Garden.

We also take books home to share with a grownup.

Reading together helps us grow, learn and dream!

Mrs Maks

Miss Copper

Mrs Haines

We can't wait to share lots of stories with you!

We love role play!

Role play helps us explore the world, use our imagination and try out new ideas. It helps us build confidence, learn new words and understand different roles and places.

We help Mrs Maks and Miss Copper to set up our role play areas.

Some of the role play areas we have created are; The Gingerbread house, a minibeast science laboratory, a bakery, The Deep Dark Café, a hairdressers, a shoe shop, a potions shop and much more...

We use our imagination and creativity

We learn about the world around us

We build confidence and communication

We solve problems and think critically

We develop kindness and empathy

Most of all, we have fun!

Every role play adventure helps us learn, grow and make memories!

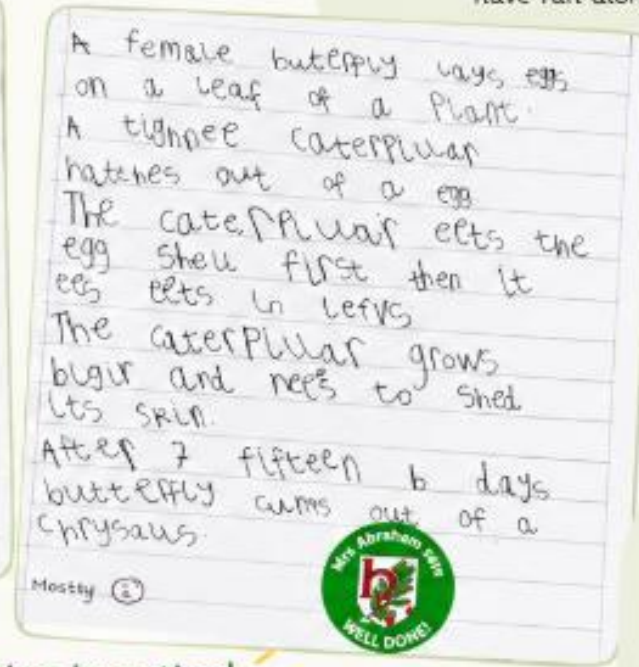

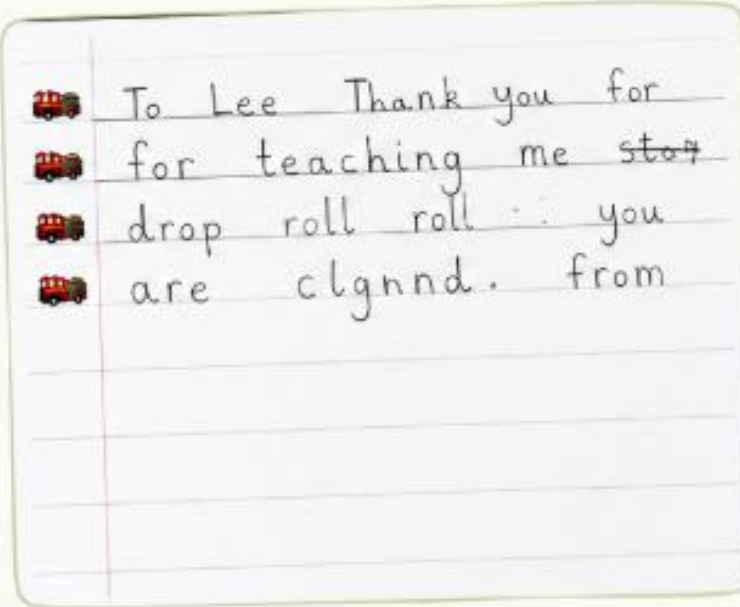

We are amazing writers...

At our school,
we love to write!
We practise every day
and are so proud of
our ideas and stories.

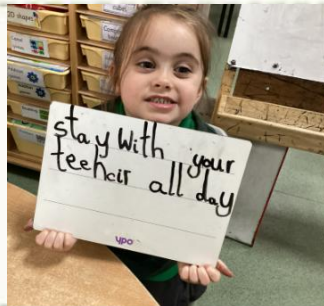

We write in lots
of ways...

- ♥ Stories
- ♥ Thank you cards
- ♥ Lists and labels
- ♥ Information
- ♥ And so much more!

Here are some of our writing in action!

♥ Writing helps us in so many ways!

It helps us share our ideas,
tell stories, solve problems
and communicate with others.
We build confidence and
have fun along the way!

You can help at home!

Encourage writing
in everyday moments -
like shopping lists, cards,
notes or drawing
and labelling.
Every little bit
makes a big difference!

We are so proud of our writers and can't wait to see what we will write next!

We love construction...

Building and making helps us use our imagination, solve problems and work together. 

Construction play helps us to:

Be creative and imagine

Work as a team

Solve problems

Build confidence and independence

Develop important maths and thinking skills

 Look at us building and creating! 

At home you can...

Build using boxes, blocks or LEGO®

Create with junk modelling materials

Build dens and structures together

Talk about building and the places around you

We love to build, create and make amazing things every day!

We love learning in Mathematics

Maths is all around us!

Through fun, hands-on activities, children build confidence, develop problem-solving skills and discover that maths can be exciting and enjoyable.

We learn about counting, subitising, sorting, grouping, numerals, adding, sharing, subtracting, patterns, shapes and much more in mathematics.

How you can help at home

Look for maths in everyday life – counting steps, sharing snacks, spotting shapes and talking about sizes. Every little moment helps!

Talking about maths

Solving problems together

Building confidence and independence

Having fun with numbers every day

We can't wait to see all the amazing things your child will discover!

We love Our Small World Zones!

Our small world zones help us explore the world, use our imagination and create our own adventures!

We love 'small world'! Farm, zoo, princesses, transport, dinosaurs, fairies, superheroes, woodland animals, under the sea, minibeasts and much more!

Small world helps us to:

Be creative and imagine

Communicate and work together

Build confidence

Explore the world around us

Solve problems

Have fun and make memories!

Our favourite small world zones...

Farms and zoos

Transport and cities

Under the sea

Fairies and princesses

Minibeasts and dinosaurs

and much more!

We use our imagination and creativity

We learn about the world around us

We build confidence and communication

We develop kindness and empathy

We think, solve problems and try new ideas

Most of all, we have fun!

Every small world adventure helps us learn, grow and make memories!

We love expressive art and design!

We thoroughly enjoy exploring all the expressive art and design activities in class.

Art and design helps us to:

-  Be creative and imaginative
-  Express our ideas and feelings
-  Build fine motor skills and hand-eye coordination
-  Make choices and solve problems
-  Develop confidence and independence

We imagine and create

We share ideas and work together

We try new things

We are kind and encouraging

We are proud of our work

We love creating, exploring and making amazing things!

Getting Ready for Reception

Fun things to help me get ready for school!

Listening and Understanding

I can:

- sit and listen to stories and follow what is happening.
- understand the need to follow rules and listen to adults.
- take turns and wait my turn.
- give my attention to simple questions like who, what, where.

Working with Others

I can:

- play and share with other children.
- be kind and caring to my friends.
- listen to others and share my ideas.
- talk about my own experiences.
- notice when someone is feeling sad and try to help.

Growing Active

I can:

- take part in active play like running, climbing, and jumping.
- try new activities and keep trying when things are tricky.
- move in different ways, indoors and outdoors.
- look after my body by eating healthy foods and washing my hands.
- get myself dressed and use the toilet with some independence.

Self-care

I can:

- wash my hands and keep clean.
- use the toilet and flush.
- get dressed by myself and zip or button up.
- eat my food and use a knife and fork.
- tell an adult when I need help or if I feel unwell.
- pack away my things.
- have a good sleep and get ready for the next day.

Speaking

I can:

- greet others in the morning.
- talk about my ideas and feelings.
- ask questions and tell my news.
- use full sentences to talk to my friends and adults.
- feel confident speaking to new people.

Character Building

I can:

- be curious about the world around me.
- try new things and enjoy learning.
- be kind, helpful and treat others with respect.
- focus and stay calm when I do activities.
- make choices and solve small problems.
- understand that everyone is unique and special in their own way.

I am excited for my new adventure at school!
